"Hands On" the Mighty Wurlitzer—a unique opportunity

Monday, May 6, 6:30 p.m.
17 W. Congress St.

Plan to join your fellow SAAGO members for this unique opportunity to play the Mighty Wurlitzer at the Fox Theatre and to hear member Grahame Davis, Pipe Organ Artisans of Arizona, share information about the instrument and his long-term commitment to bringing a Wurlitzer to life in the Fox. Grahame will present a brief introduction with several minutes for a question and answer period. Then those who wish to play will have about 10 minutes at the keyboard with Grahame available to assist with registration. Bring whatever music you might wish to play.

We'll start promptly at 6:30. Enter at the main entrance on Congress Street

where a Fox official will let you in. There is free street parking in front of the Fox and also parallel parking along Church St, the next street to the west. There is a pay parking garage about half a block east where you must pay with a credit card using a QR code. We'll have the theatre to ourselves for about an hour and one-half.

When the Fox Theatre opened on April 11, 1930, the organ was an integral element of this and nearly every 'Movie Palace' built in that era. Unfortunately, in the 1950s, the Fox Theatre's original 'Mighty Wurlitzer' was sold for parts. However, in 2002, midway through the Fox restoration, Dr. Malin Dollinger generously donated his meticulously cared for 1922 four-manual, 27-rank Wurlitzer organ to the theatre. The organ was restored by member Grahame Davis, (Pipe Organ Artisans of Arizona) with some assistance by SAAGO members.

message from the dean...

My dear colleagues and friends, this will be my 37th and final message to you as dean. It has been a supreme privilege to have served you for the past four years, and I'm excited to hand the gavel (there is one, and I have never used it at a meeting) over to the incoming dean this July 1. These past four years, two terms, have passed all too quickly in many respects. I put on the dean's mantle July 1, 2020, and you will very well remember that we all were in the throes of the COVID-19 pandemic. Your Executive Committee, not to be deterred by that event, planned and pulled off meetings, including a Showcase, through Zoom and other technologies. I could be labeled the Dean of the Bug, I guess.

There are simply not enough or the right words to thank the loyal, committed members of the Executive Committee, the Program Committee, the Investment Committee, and all the other volunteer minds and hands that have helped this chapter grow in ways unknown before and assure that SAAGO is very much alive and well!

I like to think that harmony is the song of life. It is an integral part of music, adding layer upon layer of intricacy, interest, and depth. What would a musical composition be without harmony and rhythm?

Harmony extends beyond music, of course, and has been nurtured and exhibited in the relationships within this chapter. We have experienced harmony at board meetings, social gatherings, concerts, and our monthly programs. I honestly can say there has not been anything except harmony in our midst.

The Program Committee is finalizing wonderful offerings for our next season. Several of the current Executive Committee members are continuing in their roles next year, and for that we are all grateful.

I feel confident you will support the incoming dean and other Executive Committee members, as you have me over the past four years.

I thank you all for living out the harmony in both our music and our lives and wish you all the very best in the future.

With much gratitude,

Dean Janet Tolman

April Organ Crawl Recap

Saturday, April 13, 2024, a beautiful spring day, seventeen Southern Arizonans took part in an Organ Crawl in Green Valley, a community 25 miles south of Tucson and 27 miles north of Mexico. Participants visited the United Methodist Church of Green Valley, the Lutheran Church of the Risen Savior, St Francis in the Valley Episcopal Church, and Valley Presbyterian Church. They played a 1980 3-manual Reuter, a 2016 3-manual Holtkamp, a 2001 3-manual Rogers, and a 2023 4-manual Rogers,

respectively. Hosts from the churches --- Linda Truesdell, Patricia Legee, Michael Case, and Craig Lindsey --- demonstrated the instruments (with assistance from David Wang and Haruhito Miyagi of Organs AZ at Valley Presbyterian). Dee Schultz, Hospitality Chair of the Southern Arizona Chapter of the AGO, provided a delicious lunch. A great time was had by all!

April was an especially busy program month, including concerts in SAAGO member series. Carolyn Smith performed in the St. Alban's Series on April 13 and Doug Leightenheimer performed at St. Andrew the Apostle Catholic Church in Sierra Vista on April 21. Both programs were very well received!!

It was a pleasure to welcome Past Dean Doug back to Arizona!

In praise of church musicians— article from April 2024 issue of The Christian Century

Below is a link to a very interesting article, along with a brief excerpt, sent to me by Jeffrey Campbell for inclusion in THE CYPHER. Jeffrey says that it is “a superb summing up of what we do.” The complete article was written by Peter Marty, editor/publisher of the *Century* and senior pastor of St. Paul Lutheran Church in Davenport, Iowa.

Gifted church musicians know how to help people sing together. They're genius at helping a congregation get “lost in wonder, love, and praise,” to borrow Charles Wesley's words, without simply getting lost. Week in and week out, these practitioners enlarge individual worlds, send chills up spines, and remind worshipers that singing is not an external option for our lives; it's an internal component of being fully human.
